Making Your Bicycle Helmet Promise Work

- Fill out the bicycle promise reminder. When you get home, put it where it will be a constant reminder, such as on the refrigerator door.
- Let your child choose her or his own helmet and make sure it fits properly.
- Set an example for your child by wearing a helmet every time you ride a bicycle.
- Make it a family pact to wear helmets whenever riding bicycles. Encourage friends to purchase and wear helmets to help keep their families safe.
- Make a rule and enforce it with all who are in your care: No helmet... no bicycling.
- Reward your child until he/she gets into the habit of always wearing a bicycle helmet.
