**Category of Entry (Check One):**

- _____ Roadway/Bridge Construction < $10 Million
- _____ Roadway/Bridge Construction > $10 Million
- _____ Other Infrastructure Construction < $10 Million
- _____ Other Infrastructure Construction > $10 Million
- _____ Bridge Design Project Development
- _____ Road Design Project Development
- _____ Intermodal/Public Works Design Project Development
- _____ Context Sensitive Solution/Public Involvement
- _____ Use of Innovative Product or Technology
- _____ Special Achievement in Customer Satisfaction

Please use this form for one project and one category of entry.
Please enclose the following:

Narrative – Ten (10) bound copies of no more than ten, double-spaced, typewritten pages describing the project shall accompany each entry. This description should address the judging criteria for the appropriate category of entry. The narrative may include graphs, charts, photographs, calculations, etc., to document the criteria.

The narrative should discuss the following points:

- Purpose of the Project
- Requirements, scope, philosophy and intent
- Role of applicant – describe role of leadership and involvement, role of the client, public, consultants and contractors
- Describe the existing conditions – what investigations of the existing conditions took place
- Public Involvement – summarize the coordination efforts with agencies, public, and other stakeholders. If applicable, describe the community’s reaction to the project or how the project changed the perception of DOTD highway projects in a positive way.
- Special Factors – explain why this project is unique or special with regards to the category of entry. Describe any unusual problems, new techniques or technologies, budget constraints, etc., that this project had to overcome. Identify the innovative solutions to these problems.
- Constructability – explain the relation between the project budget and cost. Describe any significant changes to the project’s cost or schedule.
- Post-project Evaluations – Describe how the project was monitored or inspected and how the success criteria were met.

You may include, binding and page limitation permitting, any other documentation regarding your entry as long as the largest page or attachment is no larger than 8½” x 11” or 11” x 17” folded.

The entry should present all the information submitted in a clear and concise manner. A submittal which exceeds the page length, includes oversized exhibits or pictures, or contains superfluous, inappropriate, illegible or insufficient material may be deemed unsuitable for consideration for award.

Please submit narrative and application form to:

Mail:
Ms. Gerrie Penn
Change Management Director
Louisiana DOTD
P.O. Box 94245
Baton Rouge, LA 70804-9245

Physical:
DOTD Headquarters
1201 Capitol Access Road
Room 305A
Baton Rouge, Louisiana
All entries will remain the property of the Louisiana Department of Transportation and Development. At the discretion of the judges, an entry may be moved to a different award category if deemed appropriate.
