Listed below are the topics for which workshops are regularly scheduled. Please check each topic for which you require training. If the course is part of your structured training, please also check the "ST" blank. For a complete list of prerequisites for all courses see www.ltrc.lsu.edu/ Go to training, external educational resources then to CAD/Drafting.

MicroStation "V8", Level I (4 days) ST

Applying InRoads (4 days) ST
Prerequisite - MicroStation V8 Level II or 3D

MicroStation "V8", Level II (4 days) ST
Prerequisite - MicroStation V8 Level I

Advanced InRoads (4 days) ST
Prerequisite - Applying InRoads

MicroStation "V8", Level III (4 days) ST
Prerequisite - MicroStation V8 Level I & II

Upgrading to InRoads 8.9 (2 days) ST
Prerequisite - Applying InRoads

MicroStation "V8" Update (2 days) ST
Prerequisite - MicroStation V8 Level I & II

Applying InRoads Survey (3 days) ST

MicroStation V8 CADD Manager (4 days) ST

Applying InRoads Storm & Sanitary (3 days) ST
Prerequisite - Windows, Interactive graphics (80 hrs) & Storm Drainage/Sanitary Sewer Design

MicroStation 3D (4 days) ST
Prerequisite - MicroStation V8 Level II

IRAS B Fundamental 8.5 (2 days) ST
Prerequisite - MicroStation V8 Level II

Applying DOTD CADD Standards (1 day) ST
Course under development

IRAS C Fundamentals 8.9 (2 days) ST
Prerequisite - MicroStation 2D, Level II, Update, 40 hrs experience

GIS & DOTD Databases (2 day) ST
Prerequisite for Introduction to ARC GIS, Level 1
Contact Jim Mitchell @ 225-379-1881 or Doug Albert @ 225-379-1811

ProjectWise Fundamentals (1 day)
Course under development

Introduction to Arc GIS 9.2, Level I (2 days) ST

Introduction to Arc GIS 9.2, Level II (3 days) ST
Prerequisite - ArcGIS Level I
