Statewide Traffic Engineers Meeting

Wednesday, May 12, 2010

8:30 am – 5:00 pm

Hosted by
Louisiana Department of Transportation and Development
Section 77
Traffic Engineering Management

TTEC: Transportation Training and Education Center
Louisiana Transportation Research Center
4101 Gourrier Avenue
Baton Rouge, Louisiana 70808

This meeting is an opportunity for city, parish, and government engineers and consultants to receive updates on traffic policies and standards. *Agenda topics include Photo Enforcement, Traffic Control Details, Pavement Markings, Access Management, etc.*

This is a free event; however, please **register by April 28th** so we can accommodate you.
