

A LOUISIANA GIS PEER EXCHANGE

A lot of work is going on in the world of GIS and now is your chance to brag on your agency! With the new year, let's learn new ideas from each other and collaborate to improve our processes to achieving our common goal – a better transportation system.

This Peer Exchange will cover a range of GIS applications from both the state and local perspective.

Transportation professionals representing engineering, enforcement, education, and emergency medical services are invited to attend.
