## About the Course

This class is a basic introduction or refresher to temporary work zone traffic control. Participants will learn:

- ◆To reference standards in the MUTCD regarding work zone safety requirements
- ◆To identify traffic control devices and their proper location in work zone areas
- ◆To use proper flagging signals
- ◆To recognize liability issues

This revised course includes hands-on activities and field exercises.

## Enrollment, Registration, and Cancellation Policy

Pre-registration is required one week in advance. Registration is \$15.00 for municipal or public sector personnel and \$35.00 for all others. This fee covers all materials, and lunch. Registrants will receive a confirmation of their reservation. If an agency is unable to mail in the registration fee before the deadline, please phone, FAX, or e-mail the Technology Transfer office with the names of the work- shop participants (800-595-4722 in-state or 225-767-9117; FAX 225-767-9156); ([bbreaux@ltrc.lsu.edu](mailto:bbreaux@ltrc.lsu.edu)). You can even register on-line at [www.ltrc.lsu.edu/ltap.html](http://www.ltrc.lsu.edu/ltap.html).

## Who Should Attend

Employees new to roadway work and those unfamiliar with the devices and procedures for temporary traffic control should attend. This course also provides a valuable review and update for experienced workers.

## Class Size Limitations - Register Early!!!

Class size is limited to 35. Send the names of participants ASAP to reserve their spot.

## Instructor

David L. McFarland, Teaching Associate, with the LTAP T<sup>2</sup> Center has extensive experience in safety and training. A trainer for LTAP since 1993, he previously worked in the LDOTD Safety Section for nine years. Mr. McFarland has completed American Traffic Safety Services Association classes on Work Zone Supervision and Work Zone Design, and is a certified instructor for the U.S. Army

*The Louisiana Transportation Research Center is a Louisiana State Board of Registration for Professional Engineers and Land Surveyors, approved Sponsor/Provider of Continuing Professional Development (CPD). Professional Development Hour (PDH) credit will be awarded as follows: fifty (50) contact minutes of instruction or attendance = one (1) PDH.*

*For additional information about the seminar, to pre-register, or if you have questions concerning registration, contact the LTAP Technology Transfer Office: 1-800-595-4722 (in-state) or (225) 767-9117, or e-mail ([bbreaux@ltrc.lsu.edu](mailto:bbreaux@ltrc.lsu.edu))*
