

Alphabetical Listing of Exhibitors/Booth #'s
 See back for company descriptions

Over 70 companies and organizations have exhibits at this year's trade show. Be sure to stop by their booths to learn about their unique products, materials, and professional services.

3M Traffic Safety and Security Division, 315	Florida DOT, 712	Premier, 307
AASHTO SHRP2 Solutions, 303	Forte and Tablada, Inc., 604	Pritchett Engineering & Planning, LLC, 704
AASHTOWare, 513	Fugro, 205	Quantum Spatial, 605
Acrow Bridge, 600	G.E.C., Inc., 312	Schnabel Engineering, 404
Adopt A Highway, 215	Gibraltar Cable Barrier Systems, 211	Smith Seckman Reid, Inc., 500
AECOM, 207	Greenman Pederson, Inc./Underwater Engineering Services, Inc., 607	S&ME, 301
Aerial Cartographics of America, Inc. (ACA), 217	HNTB, 402	Snap-Tite, 706
AgileAssets, Inc., 511	Hanson Pipe and Precast, 610	SO-DEEP, 702
AirSage, 302	Harcon Corporation, 502	Sprayroq, Inc., 311
American Concrete Pipe Association, 612	Info Tech, Inc., 405	STV, 611
ARCADIS, 406	Infrastructure Corporation of America, 501/503	Stanley Consultants, 201
Arnold Forest Products Corporation, 203	Interface Consulting International, Inc., 310	Sweeping Corporation of America, Inc., 710
Asphalt Pavement Alliance , 410	Intergraph, 317	Tennessee DOT, 415
ASTM International, 613	Interstate Logos, LLC, 505	THC, Inc., 510
Autodesk, 316	Lindsay Transportation Solutions, 403	TRC Engineers, Inc., 616
Bentley Systems, 602	Mar Mac Construction Products, 506	The Reinforced Earth Company, 507
Big River Industries, Inc., 304	McCormick Taylor, 306	Tolunay-Wong Engineers, Inc., 314
Commercial Metals Company, 515	Metal Fatigue Solutions, 305	Trafficware Group, Inc., 313
DuPont Land Management, 606	Modjeski and Masters, Inc., 614	Transpo Industries, 300
Dynatest Consulting, Inc., 213	MOBA Corporation, 412	Tricon Precast, LTD, 407
FENSTERMAKER, 411/413	Neel-Schaffer, 400	Trinity Highway, 603
FRP Bridge Drain Pipe, 504	Pavement Technology, 516	Vaughn & Melton, 512
Fisher Arnold, 517	Plastic Safety Systems, 416	Volkert, 401
Five Star Products, Inc., 414		Wiser Consultants, LLC / EMC, Inc., 417
		WSP, 514

Napoleon Ballroom, 3rd Floor

Monday, August 25, 2014 - 7:00 am - 5:00 pm
 Tuesday, August 26, 2014 - 7:00 am - 3:30 pm

TRADE SHOW &
 EXHIBITOR
 DIRECTORY

3M Traffic Safety and Security Division	3M offers reflective sheeting for traffic signs and devices, pavement markings, and roadway maintenance services. For more information, about 3M’s traffic safety solutions, visit www.3M.com/roadwaysafety .
AASHTO SHRP2 Solutions	Tools for the road ahead. SHRP2 is FHWA, AASHTO and TRB working together to transform research in Renewal, Reliability, Capacity and Safety into implementable solutions for state and local agencies.
AASHTOWare	AASHTOWare suite of products offered by AASHTO for the transportation industry.
Acrow Bridge	Acrow manufactures permanent & temporary vehicular bridges. They are pre-engineered, pre-designed, modular, can be erected quickly, span 10 to 300 ft. and meet all AASHTO standards.
Adopt A Highway	Adopt A Highway offers privately funded sponsorship programs which provide resources in the forms of revenue or services to state agencies.
AECOM	AECOM is a global provider of professional technical and management support services to a broad range of transportation markets. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world’s built, natural, and social environments.
Aerial Cartographics of America, Inc. (ACA)	A full service 3D precision mapping firm providing engineering design, pavement rehab, asset inventory, and project planning solutions using aerial imagery, LiDAR and Mobile LiDAR.
AgileAssets Inc.	AgileAssets is the leading global provider of integrated infrastructure asset management software for public agencies. AgileAssests solutions help maximize asset condition, maintenance budgets and long-term lifecycles.
AirSage	AirSage provides anonymous U.S. population location and movement data from 100M+ mobile devices every day for accurate studies with very large sample sizes at a fraction of the cost.
American Concrete Pipe Association	The American Concrete Pipe Association (ACPA) was founded in 1907 and functions primarily as a technical resource for its membership and to specifiers of buried infrastructure and drainage structures. ACPA is the spokesperson for the concrete pipe industry.
ARCADIS	ARCADIS is the leading global natural and built asset design and consultancy firm working in partnership with our clients to deliver exceptional and sustainable outcomes through the application of design, consultancy, engineering, project and management services.
Arnold Forest Products, Corp.	Manufacturer and supplier of Guard Rail components and Treated Timber products for bridges, signs, cable barriers and bollards.
Asphalt Pavement Alliance	The Asphalt Pavement Alliance’s mission is to establish asphalt pavement as the preferred choice for quality, performance and the environment.
ASTM International	ASTM International, formerly known as the American Society for Testing and Materials (ASTM), is a globally recognized leader in the development and delivery of international voluntary consensus standards.
Autodesk, Inc.	Autodesk helps people image, design and create a better world. With Autodesk’s comprehensive portfolio of Building Information Modeling (BIM) for infrastructure solutions, transportation agencies, engineering consultants, and contractors gain valuable insight on how to improve the way they plan, design, build and manage road and highway projects.
Bentley Systems, Inc.	Bentley is the global leader dedicated to providing architects, engineers, constructors, and owner-operators with comprehensive software solutions for sustaining infrastructure.
Big River Industries, Inc.	Rotary kiln expanded lightweight aggregate for structural concrete, internal curing, asphalt chip seal and geotechnical fill for transportation projects.
Commercial Metals	Commercial Metals Company is a global, low-cost metals recycling, manufacturing, fabricating, and trading enterprise. Our vertical integration model revolutionized the way the steel industry operates today.
DuPont Land Management	DuPont manufactures and markets herbicides for use in the highway right of way market, including selective weeding, baveground and brush control.
Dynatest Consulting, Inc.	Dynatest is a global leader in providing pavement data collection equipment, software, engineering
FENSTERMAKER	Fenstermaker delivers innovative solutions for contemporary transportation systems. With over 64 years of experience and a reputation for delivering quality work, we are a viable resource for transportation services including engineering design, environmental consulting, laser scanning and underwater acoustic services.
Fisher Arnold	Fisher Arnold is a multi-disciplined firm of architects, engineers, planners, landscape architects, environmental scientists, surveyors, and technicians. Our headquarters is in Memphis, Tennessee with four branch offices.
Five Star Products, Inc.	Worldwide provider of: Chemical and Epoxy Grouts, Chemical Grouts and Polyurethanes, Concrete Repair and Overlays, Infrastructure and Commercial Repair, Adhesives and Sealants, Coatings and Waterproofing.
Florida DOT	Florida Automated Vehicle Initiative - The Florida Department of Transportation is currently planning for the implementation of autonomous and connected vehicle technologies on public roadways.
Forte and Tablada, Inc.	Engineering and consulting services, including land surveying and advanced measurements.
FRP Bridge Drain Pipe	We are a manufacturer of fiberglass bridge deck drainage components.
Fugro	Collection of geotechnical and geophysical data, interpretation and consulting, construction material testing and deep foundation testing related to new buildings and asset maintenance.
G.E.C., Inc.	From transportation planning, project scheduling, and design, to construction engineering and inspection, GEC brings local and state project experience and knowledge to the next level.
Gibraltar Cable Barrier Systems	Gibraltar is a leading provider of high tension cable barrier systems designed to contain and redirect errant vehicles from road hazards.
Greenman-Pedersen, Inc./ Underwater Engineering Services, Inc.	Greenman-Pedersen, Inc., a multi-disciplinary engineering firm with over 1,000 employees, specializes in design and construction services for transportation infrastructure projects. Our subsidiary company, Underwater Engineering Services, Inc. provides underwater inspection services.
Hanson Pipe and Precast	Hanson Pipe & Precast is one of the largest manufacturers of concrete products in North America and your single source for everything from storm drainage to precast bridges.
Harcon Corporation	Harcon Corporation provides special access for consultants, contractors, painters, utilities, and others on all types of bridges, from single span covered bridges to multi-design structures several miles in length. Our innovative approach and attention to detail have forged our reputation as a safe, efficient and dependable special access company.

Info Tech. Inc.	Bid Express, Doc Express, Estimates and AASHTO Ware Project Software.
Infrastructure Corporation of America	America is a provider of infrastructure maintenance and engineering services.
Interface Consulting International, Inc.	As engineers and construction consultants, Interface Consulting International, Inc. provides a wide range
Intergraph	Intergraph is the leading global provider of engineering and geospatial software that enables customers to visualize complex data.
Interstate Logos, LLC	Management of Logo Signing and TODS programs.
Lindsay Transportation Solutions	Lindsay Transportation Solutions is the worldwide manufacturer of moveable barrier technology, a cost effective solution for adding capacity, reducing congestion, and improving safety for permanent and construction cushions, gates, TMAs, and other barrier specialties.
Mar Mac Construction Products	Mar Mac is a family-owned company that has been manufacturing quality external pipe joint products since 1953.
McCormick Taylor	McCormick Taylor is a leader in providing comprehensive professional services that meet the diverse needs of our clients and the communities we serve.
Metal Fatigue Solutions	Metal Fatigue Solutions Inc., (MFS) develops devices and systems that indicate the true status of fatigue
MOBA Corporation	MOBA develops and manufactures customized components and userfriendly system solutions.
Pavement Technology	Pavement Technology, since 1972, has provided the public works professional state of the art pavement preservation products and services. Our Jointbond® is designed to overcome premature longitudinal joint failure.
Plastic Safety Systems	Manufacturer of temporary traffic control devices for temporary and permanent applications. Featuring RoadQuake temporary portable rumble strip and Safety Wall ADA compliant pedestrian barricades.
Premier	Premier provides the following services: underground utility, locating, gas leak survey, contact voltage, testing, electric inspections, corrosion-testing, sign assessments & management services.
Pritchett Engineering & Planning, LLC	The firm specializes in Transportation Services: Roadway and Bridge Design, NEPA documentation and studies, rural transit planning, wetland delineation and permitting, public involvement services, and Feasibility and Route Location Studies.
Quantum Spatial	Complete Geospatial Solutions transportation including mobile, rotary and fixed wing LiDAR, 3D modeling, control and property surveys, and data analysis.
S&ME	S&ME is a diversified engineering firm that consults on a range of infrastructure, development and resources.
Schnabel Engineering	Schnabel Engineering specializes in geotechnical, geostructural, environmental, and construction services for highways, bridges, rail, waterways, and airports.
Smith Seckman Reid, Inc.	SSR professionals offer a full range of engineering system designs and consulting services required by today’s complex facilities. Our team focuses on providing system solutions that are operationally flexible, efficient, and sustainable.
Snap-Tite	Snap-Tite, made from durable, solid-wall, HDPE with male/female ends, allows rehabilitation of failing drainage pipes without the need to remove existing pipe by excavation.
SO-DEEP	Subsurface Utility Engineering and Utility Coordination Services
Sprayroq, Inc.	Sprayroq spray applied quick curing polyurethane address structural rehabilitation, corrosion control and infiltration management in wastewater and water systems through our Sprayroq Certified Partners network.
Stanley Consultants	Stanley Consultants provides engineering design, construction management, and design-build services on transportation projects for county, state, and local government agencies.
Sweeping Construction of America, Inc.	SCA sweeps interstates and cleans storm drains across 9 southeastern states.
Tennessee DOT	See you in Tennessee for SASHTO 2015!
THC, Inc.	THC, Inc. provides right of way acquisition and relocation services compliant with federal and state regulations. Let our IRWA-trained agents help you with your next right of way project!
TRC Engineers, Inc.	TRC is a national , publically traded consulting firm that leverages comprehensive engineering and environmental capabilities toward the maintenance and expansion of our nation’s transportation infrastructure network.
The Reinforced Earth Company	The Reinforced Company has over forty years of experience designing and supplying materials to contractors for retaining walls, sound walls and precast arches used in civil engineering applications.
Tolunay-Wong Engineers, Inc.	Environmental Services, Geotechnical Engineering & Construction Materials Testing
Trafficware Group, Inc.	Trafficware specializes in researching, designing, and developing electronic equipment and enterprise software designed to enhance the transportation industry.
Transpo Industries	45 years of specializing in safety products and rehabilitation materials. Breakaway supports for signs, light poles, highway glare screens, high visibility barrier panels, and color pavement marking.
Tricon Precast, LTD	Precast Concrete Wall Systems and Bridge Systems. Licensing Available
Trinity Highway	Trinity is recognized innovator of highway safety products and a leading manufacturer of highway Guardrail, End Treatments, Crash Cushions, Truck-Mounted Attenuators and Cable Barrier Systems.
Vaughn & Melton	Engineering and Surveying Services, Transportation, Civil Site, Water and Wastewater, SUE, R/W,
Volkert	Volkert is a multi-disiplinary, full-service engineering and environmental firm that provide services to state departments of transportation, federal agencies, local governments and private industry.
Wiser Consultants ,LLC	Wiser is a fully integrated planning, engineering surveying, design, CEI firm, EMC is a multi-discipline survey company providing Boundary, Topographic, Hydrographic, Geophysical and Geodetic Survey.
WSP	WSP, Transportation & Infrastructure service line, is a multi-disciplinary engineering firm specializing in bridge design, highway design, geospatial services, and construction inspection.
