

## 2007 LTEC Session Summary (Revised December 21, 2006)

Each session has a unique two-digit ID number. First digit represents conference time slot, second digit represents location.

First digit –

- 1 = Monday 1:00 - 2:45
- 2 = Monday 3:00 - 4:45
- 3 = Tuesday 8:00 - 9:45
- 4 = Tuesday 10:15 - 12:00
- 5 = Tuesday 1:00 - 2:45
- 6 = Tuesday 3:15 - 5:00
- 7 = Wednesday 8:00 - 9:45
- 8 = Wednesday 10:00 - 11:45

Second digit –

- 0 = Redstick Room
- 1 = Meeting Room 1
- 2 = Meeting Room 2
- 3 = Meeting Room 3
- 4 = Meeting Room 4
- 5 = Meeting Room 5
- 6 = Meeting Room 6
- 7 = Meeting Room 7
- 8 = Meeting Room 8
- 9 = Ballroom

<b>Session 10 “Managing Technological Change”</b>		
Karen Holton	LSU Division of Workforce Development	
<b>Session 11 “Workshop – Internet / Intranet”</b>		
<b>Sponsor: Glenda Foster</b>		
David Orr	DOTD	
Mark Smith	DOTD	
<b>Session 12 “Planning”</b>		
<b>Sponsor: Mike Schiro    Moderator: Scott Choate</b>		
Robin Romeo	DOTD	Development of the Highway Program
Jason Chapman	DOTD	Forecasting Bridge Needs
Said Ismail	DOTD	Forecast of Pavement Preservation Needs; New PMS Web-Based System

**Session 13 “How Traffic Records Affect Tort Litigation”****Sponsor: Dan Magri Moderator: Dan Magri**

Dan Magri	DOTD	An Overview and Discussion of 23 USC 409
William Crawford	LA Attorney General's Office	
Susan Pikrallidas	AAA International	Data Sharing and Liability

**Session 15 “Pavement Preservation”****Sponsor: Janice Williams Moderator: Simone Ardoin**

Sam Rapczak	Crafco, Inc.	Selection and Use of Crack Sealer/Filler for Pavements
Steve Mueller	FHWA Resource Center	Selection and Use of Thin Surface Treatments
Scott Capps	North Carolina DOT	Building North Carolina's Pavement Preservation Program

**Session 16 “Recent Development in Pavement & Geotechnical Research at LTRC – Part 1”****Sponsor: Doc Zhang Moderator: Zhong Wu**

Murad Abu-Farsakh	LTRC	Geosynthetic Reinforced Foundation
Gavin Gautreau	LTRC	The Dynamic Cone Penetrometer
Sungmin “Sean” Yoon	LTRC	LRFD Application in Driven Pile Design
Kevin Gaspard	LTRC	Network Analysis of Flooding Damage of Pavement Structures Caused by Hurricane Katrina

**Session 17 “AASHTO’s National Transportation Products Evaluation Program (NTPEP)”****Sponsor: Henry Lacinak Moderator: Henry Lacinak**

Michael McGough	AASHTO	A Win-Win for Government and Industry
Jason Davis	DOTD	State Advantages of NTPEP Participation
James Goddard	Advanced Drainage Systems, Inc.	Industry Advantages of NTPEP Participation

**Session 18 “NEPA - “Overview, Application and Procedure”****Sponsor: Noel Ardoin Moderator: Noel Ardoin**

Noel Ardoin	DOTD	NEPA – A Framework for Better Project Decisionmaking
Kent Dussom	URS Corporation	GIS Application on I-69 Section of Independent Utility No.14
Christopher Gesing	Michael Baker Jr., Inc.	Stage 1 Planning / Environmental Manual of Standard Practice

**Session 19 “Design-Build”****Sponsor: Janice Williams Moderator: Bill Grice**

Douglas Gransberg	University of Oklahoma	Design-Build: National Perspective
Brian Blanchard	Florida DOT	Design-Build in Florida – Lessons Learned
Chuck Duggar	Louisiana TIMED Managers	Louisiana’s First Design-Build – The John James Audubon Bridge

**Session 20 “Leading in a Culture of Change”**

Mary Leah Coco	LSU Division of Workforce Development	
----------------	---------------------------------------	--

**Session 21 “Workshop - Using LADOTD Video Conferencing System”****Sponsor: John Collins**

Paul Hsu	DOTD	
----------	------	--

**Session 22 “Change Management – The Change Game, Part 1”****Sponsor: Ann Wills Moderator: Kirt Clement**

Change Mgmt Team	DOTD	District Process Improvements
------------------	------	-------------------------------

**Session 23 “Highway Safety in Louisiana, Part I”****Sponsor: Dan Magri Moderator: Dan Magri**

Susan Herbel	Cambridge Systematics	Louisiana’s Strategic Highway Safety Plan
Chester Wilmot	LTRC / LSU	Louisiana’s Traffic Safety Study
Xiaoduan Sun	University of Louisiana at Lafayette	Highway Safety Analysis Tools for Engineers

**Session 25 “Chip Seals: Quality and Performance”**

**Sponsor: Janice Williams Moderator: Ken Mason**

Douglas Gransberg	University of Oklahoma	Chip Seal Program Excellence in the United States
Zane Webb	Texas DOT	Chip Seals on Higher Volume Roads
Kevin King	Texas Industries, Inc.	The Art of Quality Chip Seals

**Session 26 “Implementation Progress of AASHTO M-E Design Procedure in Louisiana”**

**Sponsor: Doc Zhang Moderator: Doc Zhang**

Chris Wagner	FHWA	Design Guide: Current Status and National Implementation Activities
Kevin Gaspard	LTRC	Status of Implementing M-E Design in Louisiana
Zhong Wu	LTRC	Overlay Design Using NDT Methods
Munir Nazzal	LTRC	Reliability of Material Input Parameters for the Implementation of the Mechanistic-Empirical Pavement Design Guide

**Session 27 “Use of Contractor Test Results in the Acceptance Decision”**

**Sponsor: Henry Lacinak Moderator: Bert Wintz**

Matthew Corrigan	FHWA	FHWA Technical Advisory T6120.3, Use of Contractor’s Test Results in the Acceptance Decision
Gary Doyle	Louisiana TIMED Managers	Use of Contractor QC Testing for Acceptance
Bert Wintz	DOTD	Inspection of Contractor’s QC Processes
Julie Trunk	FHWA	Fraud Prevention

**Session 28 “Concrete – Part 1”****Sponsor: Craig Duos Moderator: John Eggers**

B. J. Eckholdt	Lafarge North America	Self Consolidating Concrete in Louisiana
Tim Cost	Holcim (US) Inc.	Concrete Mixtures and Optimum Performance – Avoiding Incompatibility of Components
Ramon L. Carrasquillo	Carrasquillo Associates, LTD	Developments in Materials and Their Effect on Fresh and Hardened Concrete Performance

**Session 29 “Major Bridge Design”****Sponsor: Paul Fossier Moderator: Paul Fossier**

Bill Huffstetler	Wilbur Smith Associates	LA 1 Bridge – An Update
Bruce Peterson	Modjeski and Masters, Inc.	Rehabilitation of the Huey P. Long Bridge in New Orleans
Chuck Duggar	Louisiana TIMED Managers	The John James Audubon Bridge Design-Build Project Update

**Session 30 “Self-Motivation in the Workplace”**

Mary Leah Coco	LSU Division of Workforce Development
----------------	---------------------------------------

**Session 31 “Plans Management”****Sponsor: Glenda Foster Moderator: Hollis Ward**

Sarah Collins	DOTD	Plans Distribution over the Internet
David Ringuette	DOTD	ProjectWise at LaDOTD
Hollis Ward	DOTD	System Overview and Electronic Standards

**Session 32 “Change Management – The Change Game, Part 2”****Sponsor: Ann Wills Moderator: Kirt Clement**

Change Mgmt Team	DOTD	Preconstruction Process Improvements
------------------	------	--------------------------------------

**Session 33 “Access Management”**

**Sponsor: Joe Bloise Moderator: Bill Temple**

John Broemmelsiek	FHWA	Basics of Access Management
Philip Demosthenes	Parametrix Consulting	Applying Access Management to Roadways
Cedric Grant	DOTD	Status of Access Management in Louisiana

**Session 35 “Performance of Asphalt Mixtures”**

**Sponsor: Chris Abadie Moderator: Bobby Hennigan**

Shadi Saadeh	LTRC / LSU	Evaluation of Hydrated Lime in Superpave HMA Mixtures
Louay Mohammad	LTRC / LSU	Fracture Resistance Characterization of Superpave Mixtures Using the Semi-Circular Bending Test
Dale Rand	Texas DOT	Predicting HMA Performance Using the Hamburg Wheel Test and Overlay Tester

**Session 36 “Recent Development in Pavement & Geotechnical Research – Part 2”**

**Sponsor: Doc Zhang Moderator: Kevin Gaspard**

Larry Cole	Carmeuse Lime Company	Effects of Various Lime Products for Drying and Modifying Subgrade Soil
Zhongjie “Doc” Zhang	LTRC	Durability of Cement Stabilized Low Plasticity Soils
Murad Abu-Farsakh	LTRC	Geosynthetic Reinforced Pavement
Mingjiang Tao	LTRC	Optimization of Unbound Aggregate Bases Through Laboratory Tests

**Session 37 “Hurricane Flood Protection”****Sponsor: Bo Bolourchi Moderator: Bo Bolourchi**

Edmond J. Preau	DOTD	DOTD’s Responsibilities
Clyde P. Martin, Jr.	DOTD	Hurricane Flood Protection Mega Projects
Daniel H. Hitchings	U. S. Army Corps of Engineers	New Orleans Hurricane Protection System Repair and Restoration
Larry Ardoin	DOTD	Protecting Louisiana’s Coast from Hurricanes – Master Plan for Hurricane Protection and Coastal Restoration

**Session 38 “Concrete – Part 2”****Sponsor: Craig Duos Moderator: John Eggers**

Scott Haislip	American Concrete Pavement Association	Concrete Overlays for Intersections
Neal West	DOTD	Design and Performance of Whitetopping
Mark Cheek	Beta Testing & Inspection	Non-Destructive Testing: Current State of the Art & Limitations

**Session 39 “Megaprojects – Part 1”****Sponsor: Mike Schiro Moderator: Dan Broussard**

Thomas Hunter	URS Corporation	Orleans and Jefferson Parish East-West Corridor Post-Katrina Update
Bob Schmidt	HNTB Corporation	I-49 Connector – The Challenging Start of I-49 South
Noel Ardoin	DOTD	Status of I-69 in Louisiana
Christopher Gesing	Michael Baker, Jr., Inc.	
Kent Dussom	URS Corporation	
Bob Schmidt	HNTB Corporation	I-10 Lake Charles Urban Freeway – Challenges and Opportunities for Modernization

**Session 40 “Managing Across Generations”**

Ted Ball	LSU Division of Workforce Development
----------	---------------------------------------

**Session 41 “Data Warehouse - Business Intelligence at DOTD****Sponsor: Glenda Foster Moderator: Dom Cali**

Dom Cali	DOTD	DOTD Enterprise Data Warehouse – Business Intelligence at DOTD
----------	------	--

**Session 42 “Project Delivery Process”****Sponsor: Mike Schiro Moderator: Fred Borne**

Tanya Bankston	DOTD	Stage 0 – Feasibility and Scoping
Jan Grenfell	DOTD	Stage 1 – Environmental
Robin Romeo	DOTD	Stage 2 – Funding
Paul Fossier	DOTD	Stage 3 - Design / Development
Masood Rasoulia	DOTD	Stage 4 – Letting
Michael Ricca	DOTD	Stage 5 – Construction
Jim Chapman	DOTD	Stage 6 – Operations

**Session 43 “Traffic Improvements and Safety”****Sponsor: Dan Magri Moderator: Mary Stringfellow**

Roger Melancon	Independent Consultant to Gulf Industries	Explanation of NCHRP 350
Major Ralph Mitchell	LA State Police Region 1	Traffic Incident Management
Glen Graham	GEC, Inc.	Statewide Incident Management Program
Karen Parsons	New Orleans Regional Planning Commission	Incremental Strategies to Non-Motorized Safety
Xiaoduan Sun	University of Louisiana at Lafayette	Impact of Pavement Edge Line on Vehicular Lateral Position on Narrow Rural Two-Lane Roadways in Louisiana

**Session 45 “Compaction of Asphalt Mixtures”**

**Sponsor: Don Weathers    Moderator: Luanna Cambas**

Charles Deahl	Bomag Americas, Inc.	New Technology in Compaction of HMA
Gary Fitts	Asphalt Institute	Dealing with Tender Mixes

**Session 46 “Pavement Related Issues and Factors”**

**Sponsor: Doc Zhang    Moderator: Bill King**

Freddy Roberts	Louisiana Tech University	Effects of Hauling Timber and Sugar Cane on Louisiana Highways
Mark Martinez	LTRC	Louisiana’s First Attempts and Insights Associated with the Concept of Warrantied Pavements
Michael Darter	Applied Research Associates, Inc.	Pavement Evaluation - Remaining Life of Concrete Pavements
Zhong Wu	LTRC	Evaluating Structural Performance of Base/Subbase Materials at Louisiana's Pavement Research Facility

**Session 47 “Trenchless Technology”**

**Sponsor: Mike Moss    Moderator: Ray Sterling**

Raymond Sterling	Louisiana Tech University	Introduction & Overview
Neal Shearer	Insituform Technologies	Culvert and Sewer Rehabilitation in Place
L. Grant Whittle	Ultraliner, Inc.	Applications of Trenchless Technology to Transportation Projects
Marlin Gonzales	Boh Brothers Construction Company	Panel discussion: <i>How can owners and consultants plan and specify projects to allow the most cost effective use of trenchless technology?</i>
Charles Curtis	PolyPipe, Inc.	
Gerhard Lang	Amiantit Meyer Polycrrete Ltd.	
Victor Weston	Tri-State Road Boring	

**Session 48 “Environmental Construction Permits”**

**Sponsor: Noel Ardoin Moderator: Traci Johnson**

Pete Serio	U. S. Army Corps of Engineers	Department of the Army Permit Program What Happens If You Don't Have a Permit
John Bruza		
Furcy Zeringue		
Marcus Redford	U. S. Coast Guard	NEPA and Permitting Trends
Rocky Hinds	Louisiana Dept. of Natural Resources	Coastal Use Permitting

**Session 49 “Megaprojects – Part 2”**

**Sponsor: Mike Schiro Moderator: James Lee**

Chad Winchester	DOTD	I-49 North, I-220 to the Arkansas State Line
Mike Aghayan	DOTD	Future I-49 South
Louis Costa	DMJM Harris	
Michael Bruce	ABMB Engineers, Inc.	Simulation of I-10 in Baton Rouge

**Session 50 “Managing Work Time Effectively”**

Jennifer Perkins	LSU Division of Workforce Development
------------------	---------------------------------------

**Session 51 “Use of Visualization for Design Applications”**

**Sponsor: Janice Williams Moderator: Pat Landry**

Charles Hixon	Bergmann Associates	Current State of the Practice
Steve Braun	Florida DOT	A Transportation Agency's Perspective
Brad Henry	URS Creative Solutions	Using Visualization as a Bridge Design Tool

**Session 52 “Estimating and Bidding Construction Projects”**

**Sponsor: Glenda Foster Moderator: Judy Versaw**

Richard Creamer	Louisiana TIMED Managers	Engineering Estimating
James Richard	James Construction Group	Construction Estimating
Stephen Spohrer	LA TIMED Managers	
John Oglesby	DOTD	Implementation of Electronic Bidding

**Session 53 “Work Zone Safety”**

**Sponsor: Dan Magri Moderator: Terri Monaghan**

Mary Stringfellow	FHWA	FHWA’s New Work Zone Regulations
Paul VanKerkhove	Louisiana State Police	Utilization of Law Enforcement in Work Zones
Barry Lacy	DOTD	Louisiana Work Zone Improvements
Tom Ervin	Traffic Solutions, Inc.	Night Work

**Session 55 “Innovative Pavement Designs”**

**Sponsor: Don Weathers Moderator: Sam Cooper**

Gary Fitts	Asphalt Institute	Perpetual Pavements
Brian Prowell	National Center for Asphalt Technology	Warm Mix Asphalt – State of the Practice
Gary Fitts	Asphalt Institute	Quiet Pavements

**Session 56 “Asset Maintenance”****Sponsor: Joe Bloise Moderator: John Collins**

Tim Lattner	Florida DOT	Florida’s Asset Maintenance Program
Jose Garcia	Florida DOT	
David Novakoski	Infrastructure Corporation of America	

**Session 57 “Hydraulics Design and Erosion Control for Highway Projects”****Sponsor: Janice Williams Moderator: JoAnn Kurts**

Jeff Shelden	Moffatt & Nichol	I-10 Bridge Replacement Storm Surge, Waves and Hydrodynamic Load Analyses
Barry Fagan	Alabama DOT	Alabama DOT Construction Stormwater – Worst to First

**Session 58 “Concrete - Part 3”****Sponsor: John Eggers Moderator: Craig Duos**

John Eggers	LTRC	High Performance Concrete – Permeability Testing
Sadi Torres	LTRC	PCC Aggregates in Louisiana
Chris Abadie	LTRC	PCCP IRI Specifications

**Session 59 “I-10 Twin Span Repairs & Replacement”****Sponsor: Paul Fossier Moderator: Hossein Ghara**

Gill Gautreau	DOTD	Repairs to I-10 Twin Span after Katrina
Artur D’Andrea	DOTD	I-10 Twin Span Replacement – Opportunities and Challenges

**Session 60 “Delegating Effectively”**

Ted Ball	LSU Division of Workforce Development
----------	---------------------------------------

**Session 61 “Workshop - Use of Visualization for Design Applications”****Sponsor: Janice Williams**

Michael Manore	TRB Committee on Visualization
----------------	--------------------------------

**Session 62 “Preparation of Title Reports for Right-of-Way Maps and Real Estate Acquisition”****Sponsor: Nicholas Verret Moderator: Eric Lanier**

Eric R. Lanier	DOTD	Preparation of Title Reports for Right-of-Way Maps and Real Estate Acquisition
Paul Charron	DOTD	Title Research and the Title Research Report

**Session 63 “Highway Safety in Louisiana - Part 2”****Sponsor: Dan Magri Moderator: Karla Schiro**

Jim Champagne	Louisiana Highway Safety Commission	Highway Safety in Louisiana
Darrin Naquin	Louisiana State Police	State Police TrafficStat Program
Betsey Tramonte	Louisiana Operation Lifesaver	Louisiana Operation Lifesaver

**Session 65 “Innovative Tools for Asphalt Mix Design”****Sponsor: Chris Abadie Moderator: Robert Mays**

Louay Mohammad	LTRC	A Look at the Bailey Method Concept in Superpave Mixture Design
Brian Prowell	National Center for Asphalt Technology	The Locking Point as an Alternative to Ndesign
Sam Cooper	LTRC	SMA & OGFC, Louisiana Experience

**Session 66 “Preservation of Bridge Approach Rideability”****Sponsor: Doc Zhang Moderator: Gavin Gautreau**

Mark Martinez	LTRC	Rideability of a Deflected Bridge Approach Slab
Steve Cai	Louisiana State University	Interaction of Approach Slab and Embankment: Effect on Design
Jenny Fu	DOTD	Field Study of Bridge Concrete Approach Slab

**Session 67 “Dam Safety”****Sponsor: Bo Bolourchi Moderator: Bo Bolourchi**

Elnur Musa	DOTD	Louisiana Dam Safety Program
Roy Waggenpack	Owen and White, Inc.	Dam Rehabilitation for Dunn Lake Dam (East Feliciana Retreat Center)
Randy Denmon	Denmon Engineering, Inc.	Dam Breach Analysis
Daniel Aucutt	Aquaterra Engineering	Louisiana’s NIKE® Approach to Emergency Action Plans: Just Do It!

**Session 68 “National Historic Preservation Act and Section 4(f) of the DOT Act of 1966”****Sponsor: Noel Ardoin Moderator: Jan Grenfell**

Elizabeth Davoli	DOTD	106?! What is that?
Duke Rivet	LA State Historic Preservation Office	Section 106 Review and Unmarked Human Burial Sites Permits
Jill-KarenYakubik	Earth Search, Inc.	Archeological Data Recovery at the Troyville Site
Noel Ardoin	DOTD	Section 4(f) - Why don’t we build the road through this green space over here?

**Session 69 “Changes to DOTD Standard Specifications”****Sponsor: Chris Abadie Moderator: Brian Buckel**

Cheryl Duvieilh	DOTD	Changes to General Provisions
Kim Garlington	DOTD	Geotechnical Specification Changes
Luanna Cambas	DOTD	Materials Specification Changes

**Session 70 “Managing Technological Change”**

Karen Holton	LSU Division of Workforce Development
--------------	---------------------------------------

**Session 71 “Workshop - Using LADOTD Video Conference System”****Sponsor: John Collins**

Paul Hsu	DOTD
----------	------

**Session 72 “Asset Management”****Sponsor: Michael Boudreaux****Moderator: Michael Bridges**

Lacy Love	North Carolina DOT	Assest Management
Sue McNeil	University of Deleware	Upcoming Conference (New Orleans, Nov 2007)

**Session 73 “NDE Methods for Condition Assessment of Existing Bridge Structures”****Sponsor: Gill Gautreau****Moderator: Steven Sibley**

Larry D. Olson	Olson Engineering	Overview and Discussion of Non-Destructive Evaluation Methods
Scott H. Slaughter	Southern Earth Sciences	

**Session 74 “Testifying as a Witness at a Deposition and/or at Court”****Sponsor: Buddy Porta****Moderator: Larry Durant**

Panel of Legal Experts		
------------------------	--	--

**Session 75 “Modification of Performance Graded Asphalts”****Sponsor: Chris Abadie****Moderator: Henry Lacinak**

Jason Davis	DOTD	Asphalt Specification Review
William Daly	Louisiana State University	Evaluation of Asphalt Binder Oxidation
Gary Fitts	Asphalt Institute	Performance of Polymer Modified Asphalt

**Session 76 “Operations and ITS - Customer Service Hits the Road – Part 1****Sponsor: Steve Strength****Moderator: Mary Stringfellow**

Grant Zammit	FHWA	USDOT Congestion Initiative
Johnny Bordelon	New Orleans Regional Planning Commission	Linking Planning and Operations: Initiatives of the New Orleans Regional Planning Commission
Steven Strength	DOTD	The Highway as a Public Forum: Effects on Safety and Operations

**Session 77 “2005 Hurricanes – DOTD Acts”****Sponsor: Gill Gautreau & Mike Moss Moderator: Fred Wetekamm**

Robert Wegener	DOTD	Hurricane Katrina – District 02
Bill Fontenot	DOTD	District 03
Bobby Hennigan	DOTD	The People of Rita
Connie Standige	DOTD	District 62 Hurricane Response
Gill Gautreau	DOTD	Stationary Bridges
Vincent Latino	DOTD	Movable Bridges
James E. Mitchell	DOTD	IT Support of DOTD Emergency Operations

**Session 78 “Storm Surge, Bridge Scour & Marine Vessel Collision”****Sponsor: Paul Fossier Moderator: Ray Mumphrey**

Joe Krolak	FHWA	AASHTO-FHWA Wave Task Force Plan of Action
Kelly Kemp	DOTD	Comite River Bridge Structural Repairs and Scour Protection
Zolan Prucz	Modjeski and Masters, Inc.	Bridge Design for Marine Vessel Collision

**Session 80 “Leading in a Culture of Change”**

Mary Leah Coco | LSU Division of Workforce Development

**Session 81 “Accurate Digital Terrain Models”****Sponsor: Nicholas Verret Moderator: Eric Lanier**

Huntington Hodges	DOTD	Accurate Digital Terrain Models
-------------------	------	---------------------------------

**Session 82 “Public-Private Partnerships”****Sponsor: Joe Bloise    Moderator: Michael Bridges**

Jim Hatter	FHWA	Overview
Panel of Experts		Panel Discussion

**Session 83 “Geotechnical Services”****Sponsor: Kim Garlington    Moderator: Kim Garlington**

Ching Tsai	DOTD	LRFD Implementation in Louisiana
Chris Nickel	DOTD	Test Pile Program – Rigolets Pass Bridge
Steve Meunier	DOTD	An Update on the LADOTD Pavement & Geotechnical Section’s Procedures

**Session 84 “DBE Hot Topics”****Sponsor: Ann Wills    Moderator: Ann Wills**

Carolyn Bell	DOTD	Overview
Marva Jacques	FHWA	Panel Discussion (Questions & Answers)
Cathy Rando	DOTD	
Ed Wedge	DOTD	
Marshall Hill	DOTD	
Staci Messina	DOTD	

**Session 85 “Recycled Asphalt Pavement”****Sponsor: Chris Abadie    Moderator: Don Weathers**

Ronald Collins	Pavement Technology, Inc.	Fractionating Plant for RAP
Louay Mohammad	LTRC	Evaluation of Stone and RAP Interlayers Under Accelerated Loading

**Session 86 “Operations and ITS – Customer Service Hits the Road – Part 2”****Sponsor: Steve Strength    Moderator: Steve Glascock**

Carryn Zeagler	DOTD	Louisiana’s 511 Traveler Information System
Craig Melancon	Jack Harper Contractors	Motorist Assistance Patrols
Chris Morvant	DOTD	Special Event on Steroids: Hurricane Evacuation from the District and Troop Perspective
Chris Bodet	Louisiana State Police	

**Session 87 “Intersection Design”****Sponsor: Janice Williams    Moderator: Chad Winchester**

Joe Bared	FHWA	Two Creative Junction Treatments
Michael Bruce	ABMB Engineers, Inc.	Continuous Flow Intersections
Tony Tramel	Lafayette Consolidated Government	Installation of Louisiana’s First Modern Roundabout

**Session 88 “Bridge Inspection & Operations”****Sponsor: Paul Fossier    Moderator: Gill Gautreau**

Jason Chapman	DOTD	Pontis Implementation for Louisiana PONTIS Bridge Inspection in Louisiana
Jeff Rowe	Collins Engineers	
Armin Mehrabi	CTL Group, Inc.	Luling Cable Stay Bridge: Inspection and Proposed Repairs
Steven Sibley	DOTD	Methods for Determining Unknown Foundations
