

Boat Louisiana

Online Louisiana Boater Safety Certification

Online Boater Safety User Guide

Online Boater Safety User Guide

This guide details the use of the LTRC / LDWF / Boat-Ed training course designed to increase student awareness of boating safety practices. Information covered in this training includes:

- ✓ General information concerning boats and maintenance**
- ✓ Information regarding boat safety equipment**
- ✓ Boating safety tips on how to be a more courteous boat operator**
- ✓ Boat laws for Louisiana and regulations to which you must adhere**

Online Boater Safety User Guide

Students begin the online training course by clicking on the Boat Louisiana link on the LTRC web site.

From the Boat Louisiana web site, the students will begin reviewing training material that will prepare them for the certification examination.

Upon completion of the certification examination, the Training Specialist will enter the “Group Access Code” and complete the registration documentation as required.

Following the entry of the “Group Access Code” the examination grade will be issued.

The examination fee will be charged regardless of the student’s successful completion of the examination.

Online Boater Safety User Guide

The examination fee will be charged regardless of the student's successful completion of the examination.

Each student shall have one chance at successfully completing the online certification examination.

A minimum passing score of 80% is required to successfully complete the course.

In the event of a failed attempt, the student will be required to attend the LDWF classroom version of the training and examination.

Online Boater Safety User Guide

Students are strongly encouraged to study all chapters and complete all exercises and the pre-test before beginning the final examination.

The following slides illustrate the online training process:

BOAT LOUISIANA Certification Exam

You have chosen to take the online exam for certification. Note that:

- Taking the Certification Exam will require a payment of \$15.00, payable by a valid credit card which will be collected via a secure transaction using Boat Ed's Verisign Secure Server Digital ID.
- **The payment will be collected regardless of whether you pass or fail.** If you should fail and wish to take the test again, you will again be charged \$15.00.
- Therefore, if you have not yet successfully passed the [Practice Test](#), you should do so now, before taking this exam, to ensure that you have adequately mastered the boating safety material.

If you have decided to proceed with the Certification Exam, you may wish to print out this page. The testing process will be:

1. You, the student, must enter your name and birth date below exactly as it should appear on your course certificate. Read the requirements below and indicate if you agree. Then click on the PROCEED TO EXAM button.
2. You will then be presented with a 75-question exam. You must answer all of the questions. On multiple-choice questions, choose the best answer out of the four answers listed. You must take the exam in one session, working entirely on your own. **There is no way to save a partially answered exam and come back and complete it later.**

BOAT LOUISIANA

On the **BOAT LOUISIANA** Certification Exam, you missed the following 9 questions:

Question: This buoy indicates:

- a. The junction of two channels
- b. The left side of the channel as a boater enters from the open sea
- c. The mid-channel and may be passed on either side
- d. None of the above

Your answer: B

Correct answer: d

Explanation: Buoyls of red color or with red lights indicate the right side of a channel as a boater enters from the open sea or heads upstream.
[Click here to study this again.](#)

Question: Vessel operators must make sure that their vessels are equipped with the proper navigation lights and use the lights ____.

- a. At all times
- b. When away from the dock between sunrise and sunset

Online Boater Safety User Guide

The screenshot shows a web browser window titled "Louisiana Transportation Research Center :: - Lotus Notes". The address bar displays "https://www.formrouter.net/forms01@LTRC/boat_survey.html". The browser tabs include "Welcome", "Michael D Elliott - Inbox", "Boating Edits", and two instances of "Louisiana Transportation...". The main content area shows a form titled "Boat Louisiana—Official Boating Safety Course" with a "BOATING HOME" link. The form fields are:

- *First Name:
- *Last Name:
- *District:
- *Training Coordinator:
- *Social:
- *Phone:
- *Email: (EX: johndoe@dotd.louisiana.gov)

A "Submit" button is located below the email field. A blue box highlights the entire form area, and a black arrow points from the top right corner of this box to the "Submit" button. At the bottom of the form, there is a copyright notice: "© Copyright 2005 * Louisiana Transportation Research Center * All rights reserved. For more information concerning this website, email us at webmaster@ltrc.lsu.edu."

Completing the LA DOTD Boat Louisiana form and clicking the “Submit” button will provide credit in ETRN
