

## About LPESA [www.louisianaltap.org/lpesa-conferences.html](http://www.louisianaltap.org/lpesa-conferences.html)

LPESA was founded in 1972 to foster and maintain a high professional spirit among local public works and engineering employees across 64 parishes in Louisiana. It provides instructive, entertaining, and important programs to those primarily concerned with the planning, operation, and maintenance of parish infrastructure such as local roads, bridges and highways. The LPESA is an organization through which programs may be coordinated among parishes and other government agencies. The organization's goal is to include an active member in every parish in Louisiana.

### BECOME A MEMBER OF LPESA! How?

Email [Courtney.Dupre@la.gov](mailto:Courtney.Dupre@la.gov) or call (225) 767- 9717 of Louisiana LTAP Center.

**Parish or City Engineers: [Download General Membership Form.](#)**

**Private Company Employees: [Download Associate Membership Form.](#)**

#### **Providing Professional Development**

LPESA offers opportunities for members to earn professional development hours through its biannual conferences as well as through the courses and workshops offered by LTAP.

#### **Connecting Peers and Industry Experts**

LPESA offers multiple avenues to connect parish engineers with industry experts (or associate members) from private companies that offer relevant products and services that may be beneficial to the work that LPESA members do.

#### **Fostering Partnership and Collaboration**

LPESA collaborates with the Louisiana Municipal Association (LMA), Police Jury Association of Louisiana (PJAL), and American Public Works Association (APWA) Louisiana Chapter in various training and membership outreach efforts.
